

Benefits OnLine® International

Quick tip

You can view the Benefits OnLine® website at www.benefits.ml.com in a number of languages.

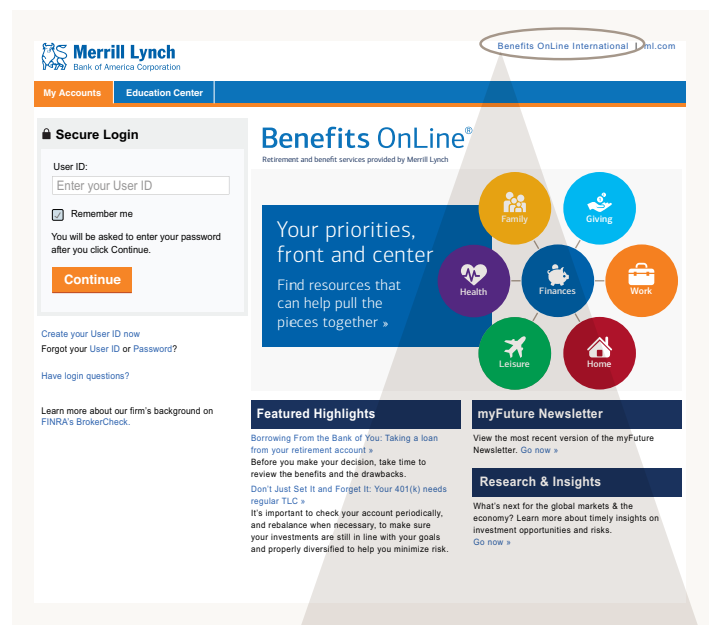

To choose a language other than English:

- Select “Benefits OnLine International” at the top of the Login page.
- Enter your company’s trading symbol.
- Select your language from the drop-down menu.

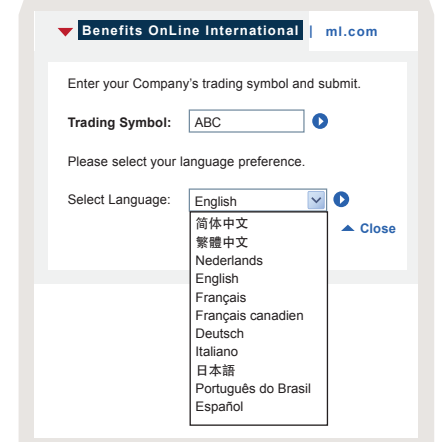

You’ll then be taken to the translated Login page, where you can sign in with your User ID and Password and access your account.

Benefits OnLine will remember your language each time you log in (from the same computer). You may change this preference at any time.

You can also choose another language after you have logged in to your account. In this case, the site will not remember your language selection when you return to the site.

The screen shots shown here are intended to illustrate the functionality and services available to participants on Benefits OnLine. They are not meant as exact representations of the screens available through your plan.
